A talented and enthusiastic digital designer, with previous experience o bring to life beautiful, functional digital products. You will be responsible for digital design predominantly in the lifestyle and consumer space, focussing on websites and online communication assets inclusive of email campaigns, that help to drive business growth.

You must have a strategic mindset; being able to see the bigger picture and how to balance the need for functionality with commerce, and beautiful design to win over consumers in the digital space.

Constant combines the insight and opportunism of a

venture-fund. With this we create platforms for growth.

creative agency with the business knowhow of a
